Our Holiday Reminder

The Team Shawnie Advocacy Group is a non-profit organization run by families with special needs children. We are parents, educators, organizers, and volunteers who share a common goal, the safety of our children at the hands of others.

What Have We Done?

We are thrilled to share with you the remarkable progress we've made since our inception as an official non-profit 501(c)(3) organization in June 2022. Our mission to ensure that children receive a proper education in a safe environment remains at the core of everything we do.

In a relatively short time, we have successfully delivered over 1,000 services to families and children in need. Our advocacy efforts have reached over 50 families and supported more than 100 children, ensuring their rights to quality education are upheld.

Our dedicated team has participated in over 300 meetings, tirelessly working to create positive outcomes for the communities we serve. We are proud to report an impressive success win rate of 98%, underscoring our commitment and effectiveness in achieving our mission.

As we continue to grow and expand our reach, we remain committed to advocating for children and their families. Thank you for your continued support and belief in our mission. Together, we can make a lasting difference in the lives of many.
